

NaphCare wishes to submit the following questions regarding Proposal Number 1-572019, Inmate Health Care Services for the Lake County Sheriff's Detention Center.

1. With respect to the Comprehensive General Liability provisions shown on page 16 of the RFP, NaphCare has the following questions:
 - a. The RFP is requesting occurrence coverage. Would Claims Made be acceptable as an alternative?
 - b. The RFP requests \$5,000,000 aggregate for bodily injury and property damage with no annual aggregate on an occurrence form. Can you confirm that an annual aggregate is not required?
 - c. The RFP requests an Extended Business Liability Endorsement. Can you provide more details as to what is required for this endorsement (i.e. for business interruption coverage, what should be covered, etc.)?
2. Please provide the annual dollar amounts spent on total pharmaceuticals for FY 2016, FY 2017, and FY 2018. Please itemize dollar amounts for HIV, blood factor, and HEP C meds for each year.
3. What is the average monthly number of inmates over the past 12 months receiving pharmaceutical treatment for the following?
 - a. HEP C
 - b. Blood Factors
 - c. HIV
4. Please provide the number of offsite claims processed over the past 12 months.
